

# UMAC-CORE MARINE PHYTOPLANKTON

**SELLING POINTS:** (marine phytoplankton will be referred to as MP)

**UMAC WAS THE FIRST MP TO MARKET FOR HUMAN CONSUMPTION**

**UMAC HAS BETWEEN 100-200 DIFFERENT SPECIES**  
(all with a unique nutritional profile)

**UMAC BREAKS THE CELL WALL AND EXTRACTS THE NUTRIENTS**  
( ALL MP have a cell wall our bodies do not digest. You DO NOT get any nutrients unless the cell wall is broken)

**UMAC IS AN EXTRACTION**

**UMAC IS WILD-HARVESTED**  
(naturally, with real sea water and real sunshine)

**UMAC HAS A CLINICAL DOUBLE BLIND STUDY-**  
the results:

- boost immunity
- increase energy and vitality
- increase your happiness level
- balanced blood sugar
- boosts cellular health
- lowered PSA (prostate) levels in men
- helped with memory and mental clarity

*Testimonies range from :  
skin issues, joint pain, better  
sleep, eyesight, menopause  
symptoms and more---and  
PETS!!! UMAC is amazing  
with animals !*

**UMAC IS THE ONLY MP WITH A HUMAN STUDY THAT IS REGISTERED  
AND APPROVED FOR HUMANS**

**The other companies use *nannochloropsis*, a species that is cheap and easy to grow and is a common aquarium fish food. They DO NOT break the cell wall and they grow it in a Lab setting with fake sea water. They are selling this with no human studies.**

*UMAC makes sure there is NO nannochloropsis in our product!  
We just let Mother Nature do her thing and let it grow naturally.*
