

Pre & Probiotics

+ Digestive Enzymes

50 BILLION ACTIVE CELLS

A unique blend of prebiotics, probiotics and digestive enzymes – formulated to provide a healthy gut flora and enhance the immune system.

Health starts from within.

Yes, we do have
**Pediococcus
Acidilactici**

Nutritional supplements for a healthy lifestyle

How can Silver Lining™ Pre & Probiotics

+ Digestive Enzymes help?

- › Improves digestion
- › Dramatically increases immune function
- › Aids in the absorption of vitamins and minerals
- › Assists in the elimination of toxins
- › Limits intestinal upsets, diarrhea and constipation (IBS)
- › Inhibits the growth of harmful bacteria

In today's fast paced society most diets are unbalanced. Adding Silver Lining™ Pre & Probiotics + Digestive Enzymes to your daily routine will help properly digest your food, break down and eliminate waste – while at the same time building up the healthy microorganisms needed to maintain, fortify and protect your overall health and well being.

Our competitive edge? **Pediococcus Acidilactici.**

Pediococcus Acidilactici resists a wide range of temperatures and pH levels – allowing the strain to survive while passing through the stomach and into the intestines where it can easily colonize. **Pediococcus Acidilactici** helps your immune system work at its peak potential.

Main ingredients: *Pediococcus acidilactici* (48 billion CFU), *Lactobacillus acidophilus* (1 billion CFU), *Lactobacillus casei* (1 billion CFU), *Bifidobacterium bifidum* (1 billion CFU), Whey (90 mg), Alpha-Amylase (100 FCC GLA units), Cellulase (1000 FCC), Lipase (1500 FCC), Bacterial Protease (150,000 FCC)

How to use: 1 to 2 capsules daily – can increase intake during digestive upsets, or consult with a health professional.

Contents: 120 vegetable capsules per bottle. 20 bottles per case.

Propositions:

- › Most effective blend of prebiotic, probiotic and digestive enzymes
- › Does not need refrigeration
- › Great price per capsule offering
- › No minimum order quantity
- › Free shipping of 20 bottles or more
